MANAGEMENT NOTE

Dear Shareholders,

It is our privilege to write to you and present the Annual Report for FY21.

These are challenging times, and I hope you and all other members of your family are safe and in good health.

India's diamond industry witnessed one of its most challenging years during FY 21 with declining sales figures vis-à-vis the previous few years owing to weak domestic demand and falling exports.

We would like to assure the shareholders that your Company has taken every step to ensure safety of the employees and the community. We have established world-class safety measures and preventive protocols at all locations. We are taking employees health and safety as the number one priority during the lockdown, unlock and ramp up period.

The world and certainly India has seen significant change – various lockdowns and unlocks continued due to the COVID-19 pandemic. However, slowly but surely, we are trying to come back to what would be the new normal. The impact that this pandemic has had on our lives and livelihoods – right from reduction in GDP to employment uncertainties to supply chain disruptions – would take significant time to undo.

Our performance- We recorded revenues of ₹ 77.16 Crores and EBITDA of ₹ 52.51 Lacs during the FY 21.

Significant cost control measures, focus on exports helped the Company to improve the operating EBITDA margin during the year under review in spite of lockdown.

We express our sincere thanks to all our Customers, Suppliers, Shareholders, Employees, Bankers, Auditors for their continued support in these difficult times.

STAY SAFE

In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid-19", circular no. 20/2020 dated May 5, 2020 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" and Circular no. 02/2021 dated January 13, 2021 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 in relation to "Additional relaxation in relation to compliance with certain provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 – Covid-19 pandemic" and circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 in relation to "Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 due to the COVID -19 pandemic" (collectively referred to as "SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Attendance Slip and Proxy Form are not annexed to this Notice.
3. The relative Explanatory Statement pursuant to Section 102 of the Act, setting out material facts concerning the business under Item Nos. 3 to 4 of the Notice, is annexed hereto. The relevant details, pursuant to Regulations 26(4) and 36(3) of the Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this AGM are also annexed.
4. **Book Closure:**
The Register of Members and Share Transfer Books of the Company will remain closed from Wednesday, September 22, 2021 to Thursday, September 30, 2021 (both days inclusive).
5. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agents - M/s. Link Intime India Private Limited for assistance in this regard.
6. To support the "Green Initiative", Members who have not registered their email addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/their Depository Participants, in respect of shares held in physical/electronic mode, respectively.

Management Discussion and Analysis

INDIAN ECONOMY:

The outbreak of the COVID-19 pandemic in March 2020 along with the national lockdown in India disrupted economic activities including demand and supply chain resulting in a significant slowdown of the Indian economy.

With the staggered unlocking measures from May/ June 2020 onwards some normalcy started getting restored. The manufacturing sector witnessed a fast recovery from second quarter of 2020-21 coupled with a revival of consumer demands during the festive season. Widespread monsoon with healthy crops and increased rural demand also helped recovery of the Indian economy in the second half of last fiscal. The service sector was more vulnerable than manufacturing. Indian economy as per the second advance estimates is estimated to have contracted at (8%) during 2020-21 compared to a growth of 4% in 2019-20.

A sharp surge in the cases during the second wave of Covid-19 since the second week of April 2021 had lead to many state governments announcing strict lockdowns / restrictions on movement etc. and this is affecting the economic activity especially of Micro, Small and Medium Enterprises. Economic impact of the second wave could intensify in the next few weeks due to lower mobility. The overall impact of the second wave on the economy is difficult to assess presently, but it is likely to negatively affect GDP growth in the first quarter.

With emergence of strong second wave of Covid-19 pandemic, the Indian economy is now projected to grow at about 10% during fiscal 2021-2022.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Company is a part of an Industry, which largely operates through unorganized constituents. However, unlike the industry, the Company has attempted to operate through as systematic and organized manner as possible. However, since Diamonds and Jewellery is one industry, in which India holds, commendable position in the world, akin to the software industry, one can look forward to more international involvement coming up in this industry.

OPPORTUNITIES AND THREATS:

Following can be termed as the opportunities / strengths of the Company:

- Induction of widely experienced and specialized personnel on the Board.
- Good combination of technical as well as advisory personnel in the management.
- Some of the world retail majors have decided sometime back to source part of their requirements from India. This shall further the growth of the Diamond industry in India.
- The unfavorable government policies cut throat competition amongst manufacturers and exporters remains major concerns for the Gems and Jewellery Business.

OUTLOOK

The Company has done reasonable in the current year and expects to achieve a really good percentage of market share in the Diamond manufacturing and Jewellery marketing fields. The outlook for the Company can therefore be termed as optimistic and expects higher growth than inflation and average growth than the industry.

Growth of the Gems and Jewellery Industry is expected to be moderate to better in the years to come depending on the policies of the Government. However Gems and Jewellery Industry is seeing robust growth in the years to come. The Growth rate of the Gems and Jewellery Industry is closely related to the growth of the other Sector and hence movements and developments in the other sectors would also indirectly affect the future of Gems and Jewellery Industry.

CHANGES IN KEY FINANCIAL RATIOS:

Pursuant to provisions of Regulation 34 (3) of SEBI (LODR) Regulation, 2015 read with Schedule V part B(1) details of changes in Key Financial Ratios is given hereunder:

Sr. No.	Key Financial Ratio		FY 2020-21	*FY 2019-20

2.	Inventory Turnover Ratio	%	5.80	16.27
3.	Interest Coverage Ratio	%	59.14	39.19
4.	Current Ratio	%	1.58	1.56
5.	Debt Equity Ratio	%	0.51	0.59
6.	Operation Profit Margin	%	2.16	1.80
7.	Net Profit Margin	%	0.57	0.66
8.	Change in Return on Net Worth	%	1.04	1.34

*Previous year's Figures have been regrouped / rearranged wherever necessary

RISK AND CONCERNS

Looking at the scenario in India in case of gems and jewellery industry, Risks associated with operating in a particular industry and include risks arising from demand changes, changes in customers choice and industry changes. Gold price fluctuation risk could arise on account of frequent changes in gold prices either up or downside momentum. It could have adverse impact on earnings. Forex risks could arise from the company being exposed to foreign currency fluctuations which could impact its rupee earnings. Diamond prices usually are not very volatile over a long period of time.

The Company has adequate internal control procedures commensurate with the size of the Company and the nature of its business for purchase of stores, raw materials, components, plant and machinery, equipment and other assets, and for the sale of goods.

The Company also has in place an Audit Committee to have a periodic overview of the internal control procedures of the Company. The Audit committee is accessible at all times to the employees of the Company for any improvement to be recommended in the procedures in place.

DISCUSSION ON FINANCIAL PERFORMANCE OF THE COMPANY:

The financial performance of the Company has declined in the year under review.

During the year under review, the Standalone total Income was ₹ **7807.63 lacs** as against ₹ **8,629.24 lacs** for the corresponding previous year.

Total Comprehensive income for the period was ₹ **44.32 lacs** as against ₹ **56.62 lacs** in the corresponding previous year.

INDUSTRIAL RELATIONS AND HUMAN RESOURCES:

The Company considers that its relationship with its employees is vital and ensures that employees feel valued and is endeavoring to create an environment and culture within which every employee can put his best efforts and maximize his contribution.

The Company ensures that all its employees remain competent through education, skills, training and experience as necessary. The Company has had cordial relations between the management and employees and an atmosphere of harmonious working to achieve the business objectives of the Company throughout the year. The Company is poised to motivate each of its employees to perform to the fullest extent possible and to appropriately reward their excellence.

CERTIFICATE ON CORPORATE GOVERNANCE

To
**The Members of
Kanani Industries Limited
Mumbai**

I have examined the compliance with the conditions of Corporate Governance by Kanani Industries Limited ('the Company') for the year ended March 31, 2021, as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI) in the light of CoVID-19 situation, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations during the year ended March 31, 2021.

I state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

○ Standalone Auditors Report

To the Members
Kanani Industries Limited,
 Mumbai

1. **Opinion**

We have audited the standalone financial statements of Kanani Industries Limited, which comprise the balance sheet as at 31st March, 2021, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in “,” conformity with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified in Section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, its profit, cash flows and the changes in equity for the year ended on that date.

2. **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

No provision for gratuity, amount not ascertainable in absence of actuarial valuation by a certified valuer, has been made by the company.

Impact of Covid19 pandemic

The attention is drawn to Note No. 22.13 to the Notes to accounts which specifically describes the uncertainties and the impact of the Covid19 pandemic on the operations, joint concern status and recoverability of the assets of the company. The management has assessed the impact of the lockdown and related restrictions imposed by the governmental authorities to control pandemic and came to the conclusion that there is no material impact on the company’s financial and operational health.

Our procedures included, but were not limited to the following:

Impact of Covid19 pandemic

- (a) Assessed the impact of lockdown and resultant closure of operations on the financials of the company;
- (b) Assessed the recoverability of the debtors, inventory, investments and other assets and the ability of the company to repay its liabilities;
- (c) Assessed the reasonableness of the assumptions made by the management regarding assessing the situation post-Covid19 pandemic.

4. **Management’s Responsibility for the Standalone Financial Statements**

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company’s financial reporting process.

5. **Auditors’ Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 7. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 8. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are, therefore, the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest of such communication.
 9. **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 10. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

“Annexure B” to the Independent Auditor’s Report

To the Members

Kanani Industries Limited,
Mumbai

“Annexure B” to the Independent Auditor’s Report

Referred to in paragraph 11(f) of the Independent Auditors’ Report of even date to the Members of Kanani Industries Ltd. on the Standalone financial statements for the year ended March 31, 2021.

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

- 1 We have audited the internal financial controls with reference to standalone financial statements of KANANI INDUSTRIES LIMITED. (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.
- 2 In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at March 31, 2021, based on “the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” (the “Guidance note”).

Management’s Responsibility for Internal Financial Controls

- 3 The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditors’ Responsibility

- 4 Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.
- 5 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
- 6 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

- 7 A company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

- 8 Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 9 In our opinion to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

○ Standalone Schedule for the year ended 31st March, 2021

COMPANY OVER VIEW

1.0 Kanani Industries Limited is a company incorporated in India and is listed on the Bombay Stock Exchange Ltd & National Stock Exchange Ltd. The company is engaged in manufacture & Export of Diamond Studded Jewellery. The details regarding registered office & Factory is disclosed in the introductory page of this Annual Report.

NOTE '1' : SIGNIFICANT ACCOUNTING POLICES

1.1. Basis of preparation and presentation

- (i) The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (the 'Act') read with of the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.
- (ii) The Financial statements have been prepared on the historical cost basis except certain financial assets & liabilities which are measured at fair value wherever applicable:
- (iii) All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III of the Companies Act, 2013.
- (iv) All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2. Use of Estimates & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

1.3. Property, Plant and Equipment

- (i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (ii) Capital work-in-progress includes expenditure during construction period incurred on projects under implementation treated as pre-operative expenses pending allocation to the assets. These expenses are apportioned to the respective fixed assets on their completion/ commencement of commercial production.
- (iii) Depreciation on property, plant and equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 on written down value .
- (iv) When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit and Loss.
- (v) The Residual Value, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

INTANGIBLE ASSETS

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

1.4. Impairment of Non-financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indications exists, the Company estimates the amount of impairment loss which may be caused to the company. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant

amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

1.5. Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and, wherever applicable, borrowing costs less depreciation and impairment, if any.

1.6. Cash & cash equivalents

Cash and Cash equivalents include cash and Cheque in hand, bank balances and demand deposits with banks that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

1.7. Inventory

Inventories of Finished Goods and Stock-in-trade are stated 'at the lower of cost or net realisable value'. Raw Materials, Work-in-Progress and Goods-in-transit are stated 'at cost'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Having regard to the nature & value of items of Stores & consumables, the same are treated as consumed in the year of their purchase.

1.8. Investments in subsidiaries, associates and joint ventures

Investments in subsidiaries, associates and joint ventures are carried at cost/deemed cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognised, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognised in the statement of profit and loss.

1.9. Financial Instruments

(i) Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the company becomes party to the contractual provisions of the instruments. Financial assets, other than trade receivables, are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through statement of profit or loss. Financial assets carried at fair value through statement of profit or loss are initially recognised at fair value and transaction costs are expensed in the statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost or fair value through other comprehensive income (OCI) or fair value through profit or loss on the basis of:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVTOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity Instruments:

All investment in equity instrument classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

Impairment of financial assets

In accordance with IndAS 109, the company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL)

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instruments).

(ii) Financial liabilities
Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured using Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss (FVTPL) are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of IndAS 109 and the amount recognized less cumulative adjustments.

(iii) Derivative financial instruments and Hedge Accounting

The Company can use various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

For the purpose of hedge accounting, hedges are classified as:
Cashflow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair value hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item is amortised to Statement of Profit and Loss over the period of maturity.

(iv) **Derecognition of financial instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.10. **Leases**

Finance lease

Assets taken on lease by the Company in its capacity as lessee, where the company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Operating lease

Company as a lessee

Leases where significant portion of risk and reward of ownership are retained by the lessor are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the lease period unless the payments are structured to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in the property, plant and equipment. Lease income on an operating lease is recognised in the Statement of Profit and Loss on a straight line basis over the lease term. unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. Costs, including depreciation, are recognised as an expense in the Statement of Profit and Loss.

1.11. **Fair Value Measurement:**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.12. **Borrowing Cost**

Borrowing costs include interest expenses as per effective interest rate and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of

qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

1.13. Provisions and Contingent liabilities and contingent assets

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

1.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are generally recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. are not treated as part of sales. Sales returns are recognised when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

Claims/Refunds not ascertainable with reasonable certainty are accounted for on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

Other Income

Dividend income on investments is recognised when the right to receive the dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest on prudent basis.

1.15. EMPLOYEE BENEFITS

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Defined contribution plans such as Provident fund & Superannuation fund

Post-employment benefits

Define contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company shall pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service., if applicable

Defined benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The management is considering options to value future liability on account of gratuity by a qualified actuarial valuer. On such valuation, the liability shall be recognised in the books of the company. The management will then decide on contribution to be made to an appropriate authority to cover future gratuity liability that may arise.

Employee Separation Costs

Compensation to employees who opt for retirement under the voluntary retirement scheme, if any, of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1.16. Foreign exchange transactions and translation

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

1.17. TAXES ON INCOME

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Where there is unabsorbed depreciation and carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Other deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future.

1.18. Government Grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.

In case a non-monetary asset is given free of cost, it is recognised at a fair value. When loans or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is recognized as government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.

1.19. Earning Per Share

The basic earning per share (EPS) is computed by dividing the net profit after tax available to equity share holding for the year by the weighted average number of equity shares outstanding during the current year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

22.13 Due to intermittent lockdowns announced by the Government due to Covid19 pandemic, the operations of the company at its Mumbai office and at its Surat factory came to a standstill. However, with the relaxation in the lockdown conditions, the operations at its factory & its godowns started adhering to social distancing and other prescribed restrictions. The lockdowns has resulted in adversely affecting the operations & profitability of the company for the current period.

The company has assessed the impact of the lockdown and consequent economic slowdown on business operations, revenues, cash flows and its ability to repay its liabilities and is confident that the company has adequate stocks of raw material, stores and finished goods to sustain any disruption in supply chain and revenue streams & liquidity to repay its liabilities.

The company is hopeful and confident that the current unfortunate events due to Covid19 pandemic resulting in lockdown and consequent stoppage and slowdown of economic activities has not and will not affect the recoverability of the company's assets, ongoing pertinence of its business, valuation & realisation of its inventory & debtors and its ability to repay liabilities. The company's ongoing business operations are not going to be affected on a long term basis. The management has taken steps to mitigate any impact which might have been on the company's business and its liquidity position.

The company has exercised due care in determining its significant accounting judgment and estimates while preparing its financial statements including internal controls over financial reporting. As per the current assessment made by the company, there is no material impact on the carrying values of inventory, trade receivables, other financial monetary & non-monetary assets as on the reporting date. However, the final impact may differ from the current estimates made as at the date of approval of financial statements for the year ended 31st March, 2021 considering the prevailing uncertainties.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the assets or liability, either directly or indirectly.

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, financial instruments and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.

Report on the Audit of Consolidated IND AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Kanani Industries Limited and its subsidiary, which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit & Loss and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

No provision for gratuity, amount not ascertainable in absence of actuarial valuation by a certified valuer, has been made by the company.

4. Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding company's Annual Report, but does not include the financial statements and our auditors report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated IND AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated Ind AS financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f. Obtain sufficient and appropriate audit evidence regarding the financial information of such entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one subsidiary viz. KIL International Limited, whose financial statements reflect total assets of Rs. 6837.07 lacs as at 31 March 2021, total revenues of Rs. 31157.59 lacs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of Section 143 (3) of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
 - d. In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2021 taken on record by the Board of Directors of the Holding Company and on the basis of written representations received by the management from directors of its subsidiaries which are incorporated in India, as on 31 March 2021, none of the directors of the Group companies is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Company with reference to these consolidated Ind AS financial statements of the Holding Company and its subsidiary companies, incorporated in India refer to our separate Report in "Annexure 1" to this report;
2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements as also the other financial information of a subsidiary, as noted in the 'Other matter' paragraph:
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations, if any as at 31 March 2021 on the consolidated financial position of the Group.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31 March 2021.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India during the year ended 31 March 2021.
3. With respect to the matter to be included in the Auditors' report under Section 197(16) of the Act:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure 1 to the Independent Auditor's Report of even date on the Consolidated Ind AS Financial Statements

To The Members of
Kanani Industries Limited,
Mumbai

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

1 We have audited the internal financial controls with reference to standalone financial statements of KANANI INDUSTRIES LIMITED. ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In conjunction with our audit of the consolidated financial statements of Kanani Industries Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

2 In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at March 31, 2021, based on "the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India" (the "Guidance note").

Management's Responsibility for Internal Financial Controls

3 The respective Board of Directors of the companies included in the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

4 Our responsibility is to express an opinion on the Company's internal financial controls with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

5 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

6 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

7 A company's internal financial control over financial reporting with reference to consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to Consolidated Ind AS

8 Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

9 In our opinion, the Group, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The accounting policies are applied consistently to all the periods presented in the Consolidated financial statements. All assets and liabilities have been classified as current or non current as per the Group normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.
- (vi) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances. The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year. The financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intragroup balances, intra-group transactions and the unrealized profits/losses, unless cost/revenue cannot be recovered.

1.2. Use of Estimates & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

1.3. Property, Plant and Equipment

- (i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (ii) Capital work-in-progress includes expenditure during construction period incurred on projects under implementation treated as pre-operative expenses pending allocation to the assets. These expenses are apportioned to the respective fixed assets on their completion/ commencement of commercial production.
- (iii) Depreciation on property, plant and equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 on straight line method.
- (iv) When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit and Loss.
- (v) The Residual Value, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

1.4. Impairment of Non-financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indications exists, the Company estimates the amount of impairment loss which may be caused to the company. For the purpose

of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

1.5. Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and, wherever applicable, borrowing costs less depreciation and impairment, if any.

1.6. Cash & cash equivalents

Cash and Cash equivalents include cash and Cheque in hand, bank balances and demand deposits with banks that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

1.7. Inventory

Inventories of Finished Goods and Stock-in-trade are stated 'at the lower of cost or net realisable value'. Raw Materials, Work-in-Progress and Goods-in-transit are stated 'at cost'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Having regard to the nature & value of items of Stores & consumables, the same are treated as consumed in the year of their purchase.

1.8. Investments in subsidiaries, associates and joint ventures

Investments in subsidiaries, associates and joint ventures are carried at cost/deemed cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognised, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognised in the statement of profit and loss.

1.9. Financial Instruments

(i) Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the company becomes party to the contractual provisions of the instruments. Financial assets, other than trade receivables, are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through statement of profit or loss. Financial assets carried at fair value through statement of profit or loss are initially recognised at fair value and transaction costs are expensed in the statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost or fair value through other comprehensive income (OCI) or fair value through profit or loss on the basis of:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVTOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity Instruments:

All investment in equity instrument classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

Impairment of financial assets

In accordance with Ind AS 109, the company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL)

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instruments).

(ii) Financial liabilities
Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured using Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss (FVTPL) are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

(iii) Derivative financial instruments and Hedge Accounting

The Company can use various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability

For the purpose of hedge accounting, hedges are classified as:

Cashflow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair value hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item is amortised to Statement of Profit and Loss over the period of maturity

(iv) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.10. Leases

Finance lease

Assets taken on lease by the Company in its capacity as lessee, where the company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

Operating lease

Company as a lessee

Leases where significant portion of risk and reward of ownership are retained by the lessor are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis over the lease period unless the payments are structured to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in the property, plant and equipment. Lease income on an operating lease is recognized in the Statement of Profit and Loss on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss.

1.11. Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.12. **Borrowing Cost**

Borrowing costs include interest expenses as per effective interest rate and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

1.13. **Provisions and Contingent liabilities and contingent assets**

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

1.14. **Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are generally recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. are not treated as part of sales. Sales returns are recognised when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

Claims/Refunds not ascertainable with reasonable certainty are accounted for on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

Other Income

Dividend income on investments is recognised when the right to receive the dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest on prudent basis.

1.15. **EMPLOYEE BENEFITS**

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Defined contribution plans such as Provident fund & Superannuation fund

Post-employment benefits

Define contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The management is considering options to value future liability on account of gratuity by a qualified actuarial valuer. On such valuation, the liability shall be recognised in the books of the company. The management will then decide on contribution to be made to an appropriate authority to cover future gratuity liability that may arise.

Employee Separation Costs

Compensation to employees who opt for retirement under the voluntary retirement scheme, if any, of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1.16. Foreign exchange transactions and translation

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

1.17. TAXES ON INCOME

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

Where there is unabsorbed depreciation and carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Other deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future.

1.18. Government Grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.

In case a non-monetary asset is given free of cost, it is recognised at a fair value. When loans or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is recognized as government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.

1.19. Earning Per Share

The basic earning per share (EPS) is computed by dividing the net profit after tax available to equity share holding for the year by the weighted average number of equity shares outstanding during the current year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

Forward contracts entered into by the company and outstanding as on 31st March, 2020 : NIL

23.11 Due to intermittent lockdowns announced by the Government due to Covid19 pandemic, the operations of the company at its Mumbai office and at its Surat factory came to a standstill. However, with the relaxation in the lockdown conditions, the operations at its factory & its godowns started

adhering to social distancing and other prescribed restrictions. The lockdowns has resulted in adversely affecting the operations & profitability of the company for the current period.

The company has assessed the impact of the lockdown and consequent economic slowdown on business operations, revenues, cash flows and its ability to repay its liabilities and is confident that the company has adequate stocks of raw material, stores and finished goods to sustain any disruption in supply chain and revenue streams & liquidity to repay its liabilities.

The company is hopeful and confident that the current unfortunate events due to Covid19 pandemic resulting in lockdown and consequent stoppage and slowdown of economic activities has not and will not affect the recoverability of the company's assets, ongoing pertinence of its business, valuation & realisation of its inventory & debtors and its ability to repay liabilities. The company's ongoing business operations are not going to be affected on a long term basis. The management has taken steps to mitigate any impact which might have been on the company's business and its liquidity position.

The company has exercised due care in determining its significant accounting judgment and estimates while preparing its financial statements including internal controls over financial reporting. As per the current assessment made by the company, there is no material impact on the carrying values of inventory, trade receivables, other financial monetary & non-monetary assets as on the reporting date. However, the final impact may differ from the current estimates made as at the date of approval of financial statements for the year ended 31st March, 2020 considering the prevailing uncertainties.

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, financial instruments and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.
